Official Memorandum dated 16th September 1954.

No. Fl. (B) 9614-713—C.R. 15-54-1. At present Service Registers and leave account of Non-gazetted Government Servants are being checked by the outside Audit Staff of the Accountant General's (Mysore) Office at the time of local audit and inspection of leave accounts maintained in Government offices according to a programme. But in view of the fact that only selected offices are included in the annual programme of local audit, it is not possible to scrutinise during local audit the service registers of all Non-gazetted Government Servants every year. The Accountant General, Mysore, considers it essential that the local audit staff sees that the Service Registers of all officials who were due to retire within a short time have been maintained properly as per rules, and that they check the leave accounts of all such officials before their retirement to ensure that there are no cases of irregular sanctions which result in excess payments. He has, therefore, proposed to arrange every year for the check of Service Registers and leave account of all non-gazetted Government servants, both superior and inferior, in the State who are likely to retire within the next three years or who will have putin 30 years of qualifying service by the end of this period.

In this connection, the Accountant-General, Mysore, has brought for the consideration of Government a convenient arrangement which is adopted in Madras to facilitate the
